Hampton August 28. 1734 on Lords day morning the 28th instant died here the Rev. Mr. Nathaniel Gookin in the 48th year of his age. he was the son of the Rev. Mr. Nathaniel Gookin minister of Cambridge. and Grandson to the Hon. Major General Gookin. he had a liberal Education in the School & College at Cambridge. His natural powers were quick & strong. and his Improvements in Learning and Religion were very remarkable. and by his close Application to his studies. especially in Divinity. he made an early & bright appearance in the pulpit 1710. upon the Death of the venerable Mr. John Cotton our former pastor. he was called and ordained to the pastoral office in this town. in which station his natural and acquired abilities. in conjunction with his sincere piety. and steady prudence. zeal & faithfulness in his Lords work. rendered him truly great & good. a star of the first magnitude. highly esteemed & beloved by all that knew him. he was justly esteemed by the most judicious. a well accomplished Divine. a judicious Casuist. excellently qualified both to feed & guide the flock of Christ. an eminent preacher. excelling in the most correct phrase. clear Method. sound scriptural Reasoning. a masculine style. manly voice. grave utterance and a lively close Application to his hearers. with great affection. and yet free from affectation. the Chassis of Ministers to which he belonged. placed much of their glory in him & highly valued his judgment in all cases that came before them. he was a zealous Affector of the civil Rights & Religious liberties of mankind. his temper was grave & thoughtful. yet at times cheerful and free. and his conversation very entertaining. in his conduct he was over prudent & careful of his character both as a Minister and as a Christian. he was much given to hospitality. and took great pleasure in entertaining such as he might improve by conversing with. a Gentleman of a generous & catholic spirit. a hearty friend to his Country and to our ecclesiastical Constitution. and always approved himself a bright Example of those Doctrines and virtues which he so plainly preached and earnestly recommended to others. for some time before his Death he was diverted from his beloved work by a severe Melancholy that affected his throat or palate. which depressed his voice and obstructed his speech. where by being taken off from that which was so much his proper Element. he at length fell under the sad impressions of slow fever. under which he languished for 3 or 4 months. bearing all his trials with an admirable patience & submission. and at last with great peace and comfort resigned his spirit to God that gave it. with him to keep an everlasting Sabbath. he left behind him a sorrowful widow the pious and virtuous daughter of our former pastor. and 9 children 6 sons & 3 daughters. many of which are in their tender infancy. whose circumstances passionately bespeak the generous Charity of such as abound. and are able to minister to their support. he was this day honorably interred with great Respect and deep lamentation. after a funeral sermon was preached by the Rev. Mr. Fitch from Acts 13. 36. and his generous and affectionate people were at the charge of his funeral. & unanimously voted one hundred pound for that end. and as their liberality has abounded to their venerable pastor both living and dying. so it is hoped that they will continue their kindness to the sorrowful widow and orphans. during his confinement. with his free consent. the Reverend Mr. Ward Cotton was introduced as his colleague in the pastoral office who now survives as his successor. for whom what can we desire better than that the mantle of the departed Elijah may fall and rest on Elisha.

to the select Men of the town of Hampton.
 Gent^r Whereas it is absolutely necessary that a way should
 be laid out to that tract of Land situate in the parish of North
 Hampton commonly called & known by the name of Alder Meadow
 in order to the owners thereof going to the same for which purpose
 said was formerly Reserved of one Rod wide next to that piece of
 Land which was added to the 13th Lot &c and as this is a private or parti-
 cular way which is wanted it appears to me that you the select men of
 the town are the only proper persons to lay out the same for the
 the select men of parishes have no such power at least this parish
 of North Hampton I do therefore humbly Move that The Land Reserved
 for a way as aforesaid may be laid out for that purpose and I do hereby
 Request you the select men of said town to lay out the same that so I
 may pass & Repass to said meadow being owner of part thereof which I
 can not any ways do before a way be laid out to it

Hampton May 30th

I am Gent^r
 your very Humble serv^t
 Joseph Lowle Jun^r

Province of } pursuant to a petition from Joseph Lowle Jun^r &c a Return of
 New Hampshire } a private or particular way laid out by the select men of the town of
 Hampton in the province of New Hampshire June 4th 1751

Whereas Joseph Lowle Jun^r of Hampton aforesaid gentleman on the 30th Day of
 May last past Petitioned to have a High way laid out by us to that tract of Land
 situate in the Parish of North Hampton in said Province called and known by the
 name of Alder Meadow - suggesting that Land of a Rod wide had been Reserved for
 a way next to that piece of Land which was added to the 13th Lot &c
 And a way to the said Meadow being that by us necessary we have this Day laid
 out the same as follows viz beginning at the North westerly corner of Land of Caleb
 Marston thence running westerly upon a high way one Rod thence running southerly
 upon a straight course or line untill it comes to the said Meadow being eight Rods
 & about ten foot thence running Easterly one Rod & from thence running Easterly by
 the Land of the said Caleb Marston till it comes to the corner where it began
 and it being suggested as aforesaid that Land was heretofore Reserved for a way
 we have carefully Examined into that Matter & it appears to us by the
 Return & by Evidence that the Land we have laid out as aforesaid for a way
 to the said Meadow was formerly left for that purpose so that there is no body
 to be paid for it & the m^r John Lowle pretends to have right to the Land we
 have laid out for said way: yet not having laid any Evidence thereof before
 us the Requested we think that he ought not to Receive pay for it which
 hath been offered him in case he would Produce Evidence that he was the
 true owner of the said Land but he refusing so to do we have laid out said
 way without making satisfaction to any particular person for the same

Complaint being made to us the subscribers by sundry persons that the way from the saw mill on Little River in Hampton to Daniel Fogg's is not yet layed out and ascertained where it should go which is a hindrance to the working on and making away there Passable and good, and as there is an ancient Grant of the Town of Hampton that there should be a way Thro' the length of the share that is now owned by Shubol Page and Jeromiah Marston Laying in the second north Division in Hampton near the saw mills afore said Joining Eastly to a share of Elisha Pogos

We have been upon the place and viewed the ground and have layed away as convenient as we possibly could. which we layed out as followeth viz on the Eastly side of said Shubol and said Jeromiah said share Joining Eastly for the most part to the line that is between their said share and the said share of Elisha Pogos, which the said Shubol and Jeromiah and the said Elisha have agreed upon to be the line between them said shares from the northly End by Daniel Fogg's Down Southly untill it comes within about twenty Rods of the northly side of said Little River or to the mill Priviledg and we have layed the said way two Rods wide from the northly End at Daniel Fogg's Down Southly untill it comes with in about twenty Rods of the northly side of said Little River or to the mill priviledg Joining Eastly to said line between said Shubol and Jeromiah and said Elisha's said shares agreed upon untill it comes to some ledges of Rocks and then bounding Westly two Rods so as to clear said ledges of Rocks as it is marked out and then Joining Eastly to said line again and we have marked out the said way on the westly side of it with the several bondings and the Eastly side also of said way we have marked out where it goes over Eastly to of said Elisha's fence which he now hath there and thus as afore said we have layed and marked out and established the said way for Ever as afore said which with some labour may be made passable and good Bated at Hampton this thirte day of August 1754

Gentlemen

Having been informed of your compliance with the proposals which I made you the 25th of March I do now in the fear of God, and as I hope with an humble dependance upon the Grace of Christ, accept of your call to me, to settle in the work of the Ministry amongst you Relying and trusting that you will from time to time pursuant to your own vote afford me an Honourable Maintenance suitable for a Minister of the Gospel, And I hope it is not without an awfull sense of the Greatness of the work of a Minister of Christ that I accept of this your call, And I earnestly ask your fervent prayers to God for me, that he would make me an able Minister of the New Testament and give me grace in the discharge of my Ministry to be faithful to God to my own soul, & to the souls of all that shall be committed to my charge, that he would uphold me at all times by his free spirit that his strength may be made perfect in my weakness, that so I may be able patiently & cheerfully to go through all the temptations & tryals that I may meet with in the course of my Ministry, And now God of his mercy grant that you may always abound in Love to God & to one another & in every other Christian Grace & virtue And that the Kingdom of Christ may be advanced & promoted by us & that we may all at last come to rejoyce together & for ever in that world where there is no need of Ministers or ordinances but where we shall be made compleatly & perfectly blessed in the full enjoyment of God to all Eternity. Amen

Gentlemen

These are to inform you that I rejoice at the unanimity there appears
amongst you with respect to my call & hope it is a token of good, And since you are
desirous to know something of my mind as to settlement & salary, I think proper to
say that its necessary a Minister should have a convenient House with a few acres of
Land & other accomodations to settle him self or also sufficient money to purchase such
a House &c And as to salary I cant think a minister of the Gospel can live up to the
Dignity of his office unless he has an Hundred and sixty or seventy pounds since
Money is so exceeding poor, As to a part of the salary being in provision if I
like the say I shall have nothing against it, as to firewood I suppose the town wont be
averse to finding their minister that. Thus I have hinted at some proposals & shall
expect to have some convenient time to have what there is done about them in
consideration And supposing it not needful to put you in mind that they that
preach the Gospel are to live by the Gospel, I conclude wishing you may be
directed by the Allwise Counsellor to do what shall be for his Glory and
Honour and your own peace & Edification, I remain your servant,

Ward Cotton
